Start with a 3 1/2" X 7" rectangle of decorative fabric.
Fold in half so you have a 3 1/2" X 3 1/2" square

Cut the top (opposite the fold) with pinking shears
Set your serger to a rolled hem – according to the manual.
Begin serging a string and place the sides of the bag under the
machine.

Start at the fold and serge one side of the bag and come off the
fabric at the top of the bag.

Keep serging until you have a string about 8" long.

Place the other side of the bag under the presser foot going from the top down.

Continue serging until you have a small tale – Leave them hanging about 1" at the bottom.

Place a bag of tea and put a small card with it.
